## Notice of Termination of Employment for Lu (Rita) Gan

Rita Gan (Chinese Name: Gan Lu), a former employee of the International Sales Department of Anhui Black Cat Material Science Co., Ltd, was officially dismissed by the company on April 1, 2024. During her tenure, she openly defied the instructions of the general manager, seriously disrupted and undermined the internal management order of the company, disturbed the normal operation of the company, and affected the stability of shareholder cooperation.

From the date of dismissal, any statements or actions made by Rita Gan are unrelated to the company.

The recent updates of Rita' s profile on LinkedIn and other social media platforms constitute false information that misleads the customer and undermines the market order, causing great losses. The company reserves the right to pursue all legal responsibilities.
